

# CHP Aetna

## *ACTIVE - Provider Directory*

### Alphabetical Listing

Note: This list is plan-specific and is only applicable to certain plans provided by Aetna. If you are not sure whether or not your plan has access to the CHP Aetna network, please contact Aetna. This list is continually being updated. While Community Health Plan makes every effort to maintain accurate and up-to-date information, we cannot be responsible for any omissions or errors after publication. Please confirm the status of Aetna providers prior to your visit by calling Aetna Member Services at the number on your ID card, or visit their website.

This list includes only providers that are currently active. A separate list is available showing providers who are currently pending, which means they are in the credentialing process and will be available soon.

This list does not address plan benefit information. Please call Aetna for questions about plan benefits.

For more information about Aetna plans, please visit their website.
