## *Facility Directory*

This list is continually being updated. While Community Health Plan makes every effort to maintain accurate and up-to-date information, we cannot be responsible for any omission or errors after publication. Please confirm the status of CHP providers prior to your visit by calling CHP at (831) 657-1600 or the number on the back of your CHP ID card.

Please note, as a courtesy we have listed First Health facilities. However, we do not contract directly with First Health and cannot verify the network status of their facilities. In order to confirm the status of First Health facilities, please call First Health directly or visit their [website](#) to view their online directory.

If you do not see the provider you want on the list, please go to the e-mail link below and send us their name, phone number and/or address. We will contact that provider about joining the CHP panel.
